## SERVICE AUTHORIZATION & DECLARATION FORM

**Date:** \_\_\_\_\_ **Location:** \_\_\_\_\_

**1. CLIENT DECLARATION** I, the undersigned (hereinafter referred to as the "Client"), hereby request and authorize National Cyber Security Intelligence (NCSI) to perform the specific security/investigation services selected in my application form.

**2. LEGALITY & PURPOSE** I solemnly declare that:

- The services requested are for lawful purposes only.
- I have a legitimate interest or legal right to request this service.
- This request is NOT intended to harass, stalk, intimidate, or cause harm to any individual or entity.
- The information I have provided (Identity Proofs, Reason for Service) is true and accurate.

**3. CONFIDENTIALITY** NCSI agrees to maintain strict confidentiality regarding the Client's identity and the findings of the investigation. Similarly, the Client agrees NOT to disclose NCSI's operational methods, agent identities, or internal protocols to any third party without written consent.

**4. LIMITATION OF LIABILITY & OUTCOME** The Client acknowledges that security and investigation outcomes cannot be guaranteed due to external variables. NCSI shall exercise professional due diligence but is not liable for:

- Inability to recover data that has been permanently destroyed.
- Surveillance outcomes limited by legal restrictions or environmental factors.

- Any indirect or consequential damages arising from the use of information provided by NCSI.

**5. PAYMENT & REFUND** I understand that service fees are generally non-refundable once resources have been deployed or the investigation has commenced, in accordance with the NCSI Refund Policy.

**6. INDEMNIFICATION** I agree to indemnify and hold NCSI harmless against any legal claims, damages, or liabilities arising from my misuse of the services or information provided.

**Signature of Applicant**
